TECHNICAL SKILLS & PROJECTS

Skills
- **Technical:** Python, Javascript, HTML, CSS, Microsoft Office Suite, Canva, Facebook & IG, Medium
- **Other:** Research, Creative Writing, Theatre Performance

Projects

Research Proposal
- Performed on a team of four Data Science Fellows to produce a proposal for an Alumni Resource Dashboard
- Delivered a presentation outlining our research & hypothesis on tech job search difficulties for bootcamp grads & minorities

Nitter Scrape & Database API
- Scraped, cleaned & extracted data (Tweets & likes) from a knock-off Twitter site using python, and the BeautifulSoup & request libraries
- Automated the process of storing the data into a database and created a Flask application utilizing the SQLAlchemy toolkit that allowed the database to be accessible via the web
- Created HTML app routes using Jinja and an API route providing the JSON response; Deployed the application using Heroku

WORK EXPERIENCE

AAMBC, Atlanta (remote)   **November 2020 – Present**

Research & Development Intern/Content Writer
- Research clients and obtain resources to assist in the development of projects/events in the arts and literary scene
- Analyze LinkedIn and social media data to create target lists of client leads & improve organization's strategies
- Write creative content and draft letters for external communication and digital marketing

Museum of Ice Cream, NY   **November 2019 –March 2020**

Guide
- Collectively influenced the successful opening & premiere phases of MOIC's New York City flagship location
- Collaborated with coworkers to create an immersive and experiential experience for over 20,000 guests
- Utilized ticketing software to handle customer entry; help retained upkeep of service stations

LEADERSHIP EXPERIENCE

Camp Jamison, Philadelphia   **July 2015 – July 2020**

Board Member *(Sept. 2019 – Jan.2020)*

Counselor & Instructor *(July 2019 –July2020)*
- Supported & taught at an overnight camp geared towards making a camp experience accessible to low-income youth
- Collaborated with CEO & fellow board members to devise strategies to further the camp's mission and improve community engagement; conducted employee interviews that led to the hiring of new staff and retention of others
- Provided feedback on board guidelines & company website; raised over $1000 through Facebook fundraiser
- Oversaw the girls side of camp and supervised counselors, ensuring the safety of our 60 campers

African Diaspora Reading Group   **October 2014 –May 2017**

Co-President (June 2016- 2017)

Treasurer; Theatre Liaison (2014-2016)
- Acted on the leadership team of a student org centered on exploring & educating people about African Diaspora writing
- Spearheaded & hosted the 2-day event "Complexifying Conversations" that led to the attendance & engagement of over 75 students, faculty, and guests across campus & the DMV area; guided book discussions
- Employed social media & digital tools such as Facebook, Google Suite & Canva, to create marketing flyers, recruit speakers, assist in grant writing, develop itineraries and engage the community
